INTER STATION MEMO

To: Those Listed Below

From: Scott H. Robb Date: March 16, 1966

The EXPANSION COMMITTEE met on Saturday, March 5 to draw up specific admission requirements for the addition of affiliated stations. I have enclosed the outline of criteria which must be submitted by each station seeking admission. I am also including a copy of the "expansion proposal" as adopted by the board of directors on February 5. Letters have gone out to some 26 schools (see list) and it is hoped that the necessary material will be submitted in time for the board to pass on the Expansion Committee's recommendations at the spring convention .

I also direct your attention to the following requests which have not been fulfilled by all stations:

1) Statement of position on UPI Audio

2) TWA promotion report

3) Tape of 1 60 sec. and 3 6 sec. Newsweek spots

Thank you for your attention to these matters.

Cordially,

Scott
